

ABOUT US

Strongest Defense is a Ventura law firm where we work for you, not the judge or the D.A. Our goal is to get you the best result possible under the facts of your case. We handle any and all types of criminal charges, from drug offenses to DUI and other traffic matters, from misdemeanors to felonies, from juvenile matters to appeals. We know that getting caught up in the legal system is no fun. And when searching for a criminal defense attorney near me, we also know how hard it can be to find a lawyer that understands your situation and is willing to fight for you. We'll stop at nothing to make sure that when you come out from under the justice system, it's with the best results possible given the facts of your case. So if you're facing criminal charges, juvenile or adult—from a simple traffic case to the most complex fraud case—we've got your back. Our law firm handles all types of criminal cases, and we've been doing it for decades. That means we've seen everything: guns, knives, rapes, child molesting charges... we've handled more than 150 jury trials, so you can trust us when we say there's nothing in the legal system that scares us. Every charge is serious.
