

The brightest, most economical skylights in New Zealand

GET YOUR FREE QUOTE

Available nationwide, Suntrenz products are designed in New Zealand for New Zealand conditions. It's no secret our sun is harsher than most, so we make sure to use materials that will withstand our harsh UV rays, while capturing maximum light.

ROOF PROFILES

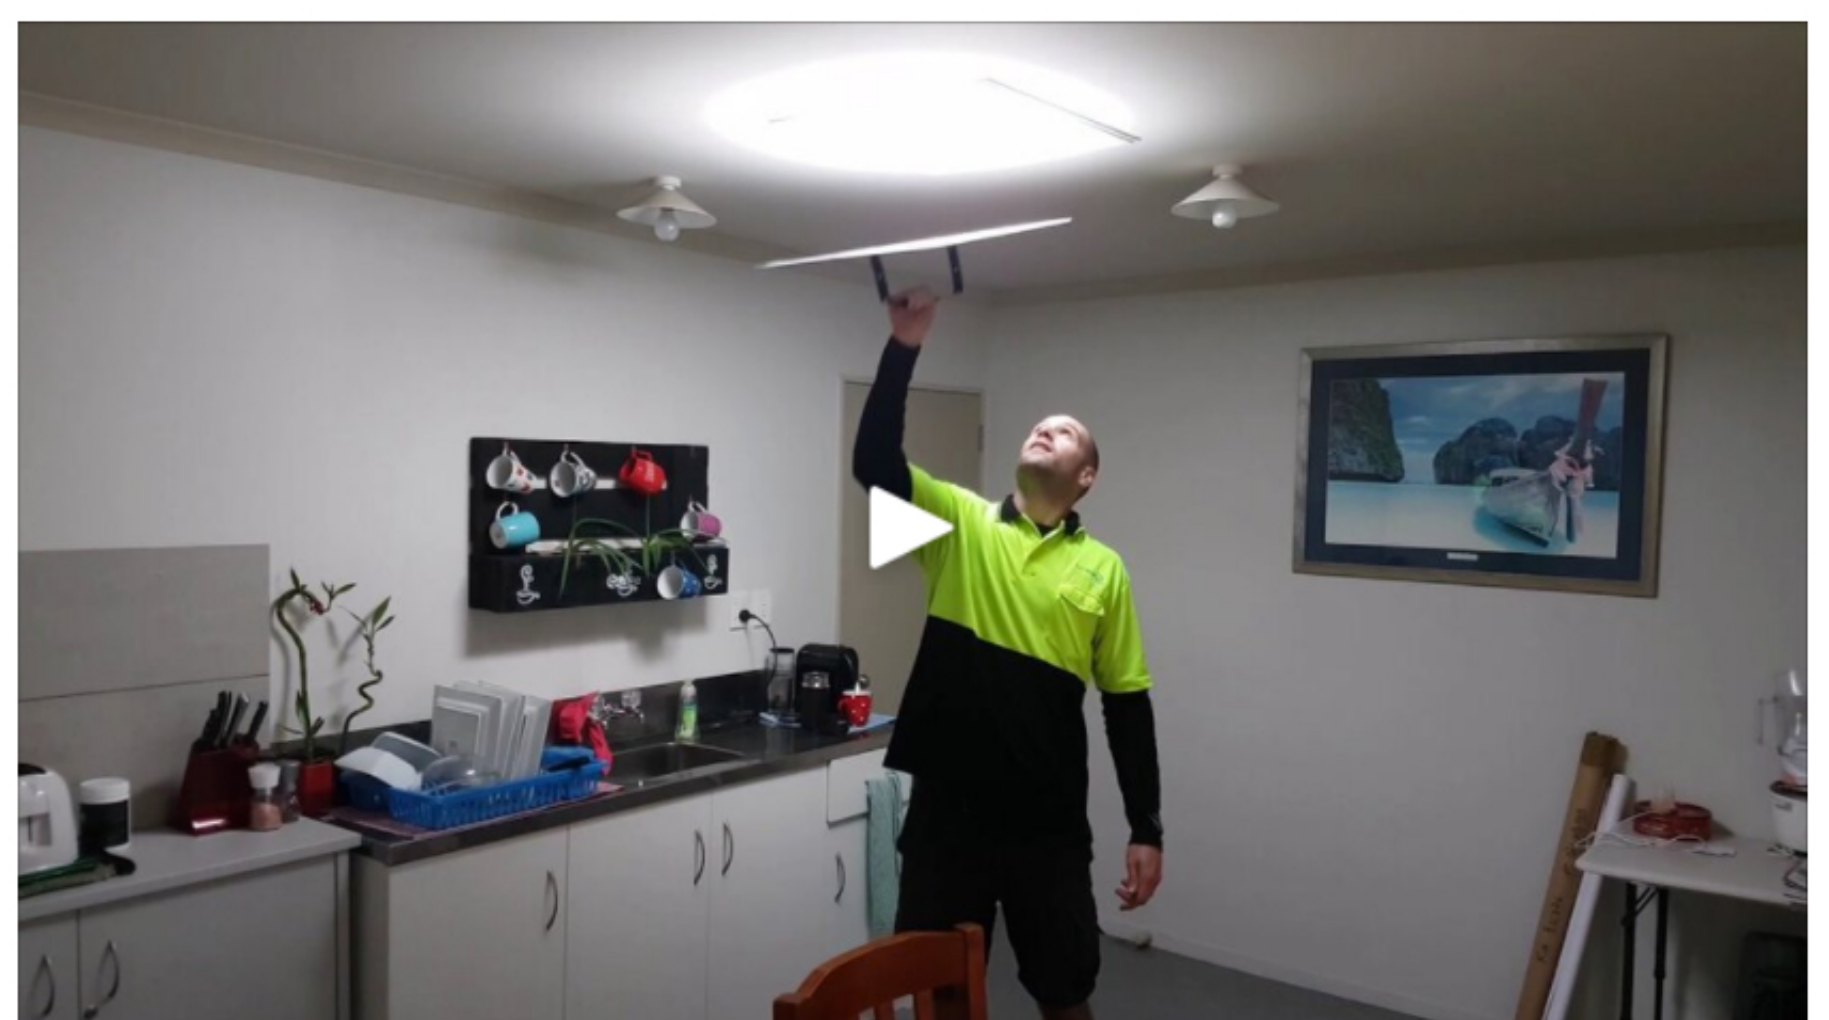

OUR PRODUCTS

See how a Suntrenz skylight could transform your home.

In this video, Jordan shows you a quick before and after of the light difference with a Suntrenz skylight. Taking this workshop lunchroom from a dull room into a vibrant space filled with Natural Light. Brighten your home with a Suntrenz. Perfect for Bathrooms, Hallways, Kitchens and Living areas.

HOW DOES IT WORK?
