

BRICK LINE MASONRY

Looking to get high quality masonry work done on your property? Look no further! Brick Line Boston Masonry are among the best masonry contractors in the Boston Area. Our expertise and experience in the field allows us to dedicate the appropriate amount of time and resources to, meet our client's goal(s) while completing each project in a timely manner without, jeopardising attention to detail or quality.

At Boston Masonry Contractors, our first concern is safety, we are committed to safe operating procedures on site. Whether you just want to spruce up your home interior or want to add beauty and curb appeal to your home front, Brick Line Boston Masonry Co can help! Each and every member of our team is skilled and experienced in their field, all our efforts are combined to provide our customers with the service they deserve. We're licensed and insured contractors with a variety of projects under our belt from chimney restoration & repair, landscape masonry, patios, retaining walls, walkways, stairways, building restoration, caulking to, cleaning & power washing building facades, historic building and restoration. Additionally, we can also help remove existing wood, stucco, stone, brick and so on to make way for new materials. Thanks to our expertise we can do these types of jobs in a timely manner, we've often removed existing stucco bands on him fronts in less than a day.

Made for Bostonians by Bostonians our team works hard to provide you with professional high-quality services at affordable rates, we accept methods of payments such as check(s) and credit card(s). We stand behind the quality of the services we offer and allow them to speak for themselves, we not only want you to come back but to recommend us to your friends, your satisfaction is our priority! Please set aside a couple of minutes of your time to take a look at our work and have a better idea what we can do to help you.

In order to provide you with an accurate quote for your project we will need to visit and inspect the job site several times to take the needed field measurements to efficiently carry out your project.

If you have any questions or would like more information on our services do not hesitate to give us a call at (617) 943-8767 or visit our website: <https://bricklinemasonryboston.com/>.
